# CAROUSEL

RIDGEVILLE HIGH SCHOOL

NORTH RIDGEVILLE, OHIO

# FOREWORD

As the years go by, the Carousel will be remembered— . . . . As a memory book of the glorious events which took place at “good ole’” Ridgeville High,  
. . . . As a public relations medium between the civic and student life,  
. . . . As a student project to create more interest in school activities, and  
. . . . As a reference book to look back upon the joyous years spent at Ridgeville High School.

In looking through the yearbooks of other schools, we found that many of them build their themes around popular sports. So, due to the fact that Ridgeville students show so much enthusiasm for horseback riding, we decided to build our theme around this popular activity.

We hope you will enjoy it.
